As one of the leading home goods distribution companies in the South West we can provide your company with a one-stop-shop for all your delivery requirements. We provide the following services as standard to all of our clients:

A daily service within the PL1-PL9 area *All other areas of Devon and Cornwall covered at least twice a week.*

A pre-call to the customer

If you don't usually provide a delivery service but believe it would be easier to make that sale if the customer could arrange delivery on the spot, or providing the name of a delivery company would add another string to that all important bow, at Hackworthys we are happy to deal direct with you or with your customers.
